Hon. Commissioner of Patents and Trademarks  
Washington, D. C. 20231

Sir:

*OK to return*

This is in reply to the official action dated January 10, 1984, and embodies the substance of a telephone interview that the undersigned attorney conducted with Examiner Waddell on April 12, 1984.

In the Claims

*B<sup>1</sup>*

(1) (TWICE AMENDED) A method of treating [a] an intraocular structural disorder of an eye comprising introducing [intraocularly] into the intraocular structure under treatment a liquid comprising a liquid perfluorocarbon or substituted derivative thereof in an amount effective to treat said intraocular structural disorder.

*B<sup>2</sup>*

(20) (TWICE AMENDED) [A diagnostic method] The method of Claim 1 comprising introducing [into an eye] a radiopaque liquid perfluorocarbon or substituted derivative thereof in an amount effective to detect radiopacity and [detecting the radiopacity] and x-raying said intraocular structural disorder.

Claim 21, line 3, add --perfluorocarbon-- after "iodinated".
